Uniform orders are placed online through Soccer Corner's site MyUniform. Your manager will send you an invite to the site. Once accepted you can then place an order.

So that everything arrives at the same time for the team, there is a **bulk order date of August 1**. If you miss the date, no worry, you can still place an order it likely will arrive at a later date. This time of year it can take a minimum of 2 weeks to receive an order. You want to make sure you have it in time for the first game.
